1 Reel Star Comedy

Dick, warned of impending death at the hands of a tall, dark, bearded man, has the wits scared out of him by seeing several bearded men throughout the day. While escaping from the most sinister-looking of the lot, he runs into a secret society initiation and is more frightened than ever. Fleeing that chamber of horrors he hides in a hotel room occupied by a very pretty woman and (unseen by Dick) her huge, bearded husband. He throws Dick out, who hides in a trunk in the storeroom. The trunk is brought back to the same room and again Dick has to make a hasty exit.

While running away from another bearded stranger, Dick comes to a circus. Crawling under the tent, he sees the back of a beautiful woman in tights. He is about to hug her when she turns and reveals herself as the Bearded Woman of the side-show. He dashes out and finds himself again at the fortune teller's. He overhears her tell another man's fortune in the exact words with which she frightened him. Re-assured, he goes out and beats up every bearded man in sight.
